In the report, the circumstances of the accident are recorded in such a way that it can be determined with a reasonable degree of certainty whether and to what extent the accident is the result of the fact that insufficient measures were taken to prevent the accident or occupational illness. The Client informs Kasparov Finance & BI as soon as possible about the industrial accident or occupational disease, but within three (3) working days at the latest, and submits a copy of the report as well as all other written documents.
- 10.4 The Client shall compensate the Candidate and the (ZPP) Interim professional for all damages (including costs, including the actual costs of legal assistance) that the Candidate and/or the (ZPP) Interim professional has suffered, is suffering and will suffer, if and insofar as the Client and/or Kasparov Finance & BI are liable for such damages on the basis of, inter alia, Article 7: 658 and/or Article 7:611 and/or Article 6:162 of the Dutch Civil Code. If a Candidate or (ZPP) Interim Professional holds Kasparov Finance & BI liable on the basis of the aforementioned articles, the Client expressly indemnifies Kasparov Finance & BI against all related claims.
- 10.5 If the industrial accident results in death, the Client shall be obligated to compensate the damages (including the actual costs of legal assistance).
- 10.6 The Client shall adequate insurance itself against liability on the basis of the provisions in this article. At the request of Kasparov Finance & BI, the Client shall provide proof of such insurance.

Article 11. Termination of Agreement

- 11.1 After the Agreement has been concluded for an indefinite period, the Client and Kasparov Finance & BI can, unless expressly agreed otherwise in writing, terminate the Agreement in whole or in part at any time by giving notice of termination. Termination must be notified to the other party in writing. Termination is possible with a notice period of one (1) month.
- 11.2 The Agreement or Assignment for a definite period of time ends by operation of law upon the expiry of the agreed period or because a predetermined objectively definable event occurs. Interim termination by the Client, the Contractor and Kasparov Finance & BI is possible with a notice period of one month, unless otherwise agreed in writing. Such termination must be effected in writing.
- 11.3 Upon termination of the Agreement, all claims of Kasparov Finance & BI against Client or Contractor shall be immediately and fully due and payable, and without prejudice to any other rights of Kasparov Finance & BI under the Agreement, these General Terms and Conditions and the applicable statutory provisions.
- 11.4 Termination of the Agreement in accordance with the Agreement or this Article of the General Terms and Conditions by one party shall not give rise to any to compensation on the part of the other party.
- 11.5 Both parties shall be entitled to terminate the Agreement with immediate effect if one of them is in a state of bankruptcy or suspension of payments.

Article 12. Entering into co-operation with Candidate

- 12.1 The Client is entitled to enter into a Co-operation with a Candidate only in compliance with the provisions of this article.

- 12.2 The Client who intends to enter into a Co-operation with the employee, will timely inform Kasparov Finance & BI thereof in writing prior to giving effect to such intention. The Client is familiar with the laws and regulations in the field of successive employership and accepts all obligations arising there from. The Client is responsible for the investigation and assessment of the employment history of the employee. Kasparov Finance & BI can, to the extent permitted by the General Data Protection Regulation (AVG) and related laws and regulations, provide information about this employment history at the request of the Client, but cannot guarantee the accuracy and completeness thereof, partly because Kasparov Finance & BI is dependent on the Candidate and (ZZP) Interim professional.
- 12.3 Neither the Client - nor a company affiliated with the Client - can, without the intervention of Kasparov Finance & BI, enter into a collaboration during the term of an Agreement entered into with Kasparov Finance & BI or an Assignment awarded to Kasparov Finance & BI or during a certain period after the end of an Agreement entered into with Kasparov Finance & BI or an Assignment awarded to Kasparov Finance & BI:
- the Candidate in the case of Recruitment and Selection. During the term of the recruitment and selection agreement or if the Client has rejected the Candidate or has terminated the Co-operation with the Candidate during the trial period, the Client is not permitted to enter into a Co-operation agreement with the Candidate within twelve (12) months after Kasparov Finance & BI has introduced the Candidate, unless Kasparov Finance & BI has given its written permission to the Client and the Client has still paid the full recruitment and selection fee, as described in Article 5.7 of the General Terms and Conditions, to Kasparov Finance & BI;
 - The Interim Professional or Candidate in the case of Secondment. The Client and/or companies affiliated with the Client are only permitted to enter into a Co-operation with the Candidate or Interim Professional during the term of the Assignment and/or any extension thereof, or within twelve (12) months after termination of the Assignment, provided that the Client pays a reasonable mediation fee to Kasparov Finance & BI. Unless otherwise agreed in writing, the reasonable mediation fee shall be calculated by multiplying the agreed hourly rate by 3,000 hours, reduced by – insofar as applicable – the number of hours already actually paid by the Client in the context of the relevant Assignment and in respect of the relevant Interim Professional or Candidate. In determining the mediation fee, account has been taken of the various investments – including recruitment costs – made by Kasparov Finance & BI, in line with what is customary in the market. This fee shall be deemed by Kasparov Finance & BI and the Client to constitute a reasonable fee within the meaning of Article 9a paragraph 2 of the Dutch Allocation of Labour by Intermediaries Act (Wet allocatie arbeidskrachten door intermediairs);
 - The Interim Professional or Candidate in the case of Secondment and/or consultancy assignments and project management in the field of BI and ESG. The Client and/or companies affiliated with the Client are only permitted to enter into a Co-operation with the Candidate or Interim Professional during the term of the Assignment and/or any extension thereof, or within twelve (12) months after termination of the Assignment, provided that the Client pays a reasonable mediation fee to Kasparov Finance & BI. Unless otherwise agreed in writing, the reasonable mediation fee shall amount to fifty per cent (50%) of the annual remuneration (including fixed allowances) that the Candidate or Interim Professional will receive from the Client. Annually – meaning if, during a period of twelve (12) months, the Candidate or Interim Professional has performed at least 1,000 hours of uninterrupted work through the mediation of Kasparov Finance & BI – a reduction of five per cent (5%) of the invoiced amount shall apply. If the Candidate or Interim Professional has not worked at least 1,000 uninterrupted hours, no reduction shall apply;
 - The Candidate or ZZP Interim Professional in the case of placement of a ZZP Interim Professional. The Client is not permitted to enter into a Co-operation with the Candidate or the ZZP Interim Professional during the term of the Assignment and/or any extension thereof, or within twelve (12) months after termination of the Assignment, unless the Client has paid Kasparov Finance & BI a reasonable mediation fee. Unless otherwise agreed in writing, the reasonable mediation fee shall amount to the full Recruitment and Selection fee as described in Article 5 of these General Terms and Conditions.
- 12.4 If, other than as described above, during the term of the Agreement or Assignment and/or within twelve (12) months after termination thereof, the Client causes a Candidate in the context of a Recruitment and Selection Assignment and/or a (ZZP) Interim Professional to perform work in any manner whatsoever – directly or indirectly – for or on behalf of the Client and/or companies affiliated with the Client, or enters into a Co-operation with such person(s), whether against payment or free of charge, other than through the mediation of Kasparov Finance & BI, or if the Client fails to inform Kasparov Finance & BI thereof, then the Client shall, in addition to the fee(s) referred to in Article 12.3, forfeit to Kasparov Finance & BI an immediately due and payable contractual penalty of EUR 30,000 per violation and EUR 2,500 for each day that the violation continues. This penalty provision shall not prejudice the right of Kasparov Finance & BI to demand performance of the relevant provisions and/or to claim compensation for the actual Damage suffered or to be suffered as a result of the Client's conduct.

Article 13. Confidentiality

- 13.1 The Client and Kasparov Finance & BI and ZZP Interim Professional will not provide Confidential Information from or about the other party, its activities, employees, clients and other relations, which has become known to them in connection with an Offer, Assignment or other Agreement, to third parties, unless - and then to the extent that - provision of that information is necessary to properly execute the Assignment or they are under a legal obligation to disclose.
- 13.2 Kasparov Finance & BI imposes a general obligation of confidentiality on its employees and the (ZZP) Interim Professionals. In addition, at the request of the Client a more specific obligation to maintain secrecy can be agreed upon. The content thereof is agreed upon by Kasparov Finance & BI and the Client. Kasparov Finance & BI cannot guarantee compliance with such an obligation of confidentiality and is not liable for any fine, penalty or possible damages from the Client as a result of the breach of an obligation of confidentiality by the (ZZP) Interim professional. The Client shall indemnify Kasparov Finance & BI against claims from third parties in relation to the failure of the (ZZP) Interim professional to comply with an obligation of confidentiality.
- 13.3 The obligations imposed on the Client and Kasparov Finance & BI and ZZP Interim professional by virtue of this article also apply to companies that are affiliated in any way with the Client or Kasparov Finance & BI, as well as its directors, supervisory directors and/or employees.
- 13.4 In the event that the Client or ZZP Interim professional violates the duty of confidentiality, as provided above, the Client or ZZP Interim professional shall forfeit to Kasparov Finance & BI an immediately payable fine of € 25,000 per violation, as well as a fine of € 2,500 for each day that the breach continues, without

prejudice to the right of Kasparov Finance & BI to instead extend the term of performance and/or to claim compensation for the actual damages suffered by it as a result of the conduct of the Client or ZZP Interim professional.

- 13.5 Without the prior written permission of Kasparov Finance & BI, the Client is not permitted to disclose information regarding candidates, (ZZP) Interim-professionals or employees proposed by Kasparov Finance & BI, whether or not rejected by the Client, or to check references of these Candidates without the intervention of Kasparov Finance & BI or to share any information about Candidates, (ZZP) Interim-professionals or employees with third parties. In the event of a breach of the provisions of the previous paragraph, the Client is due an immediately payable penalty of € 25,000 and a penalty of € 2,500.00 for each day that the breach continues, without prejudice to the right of Kasparov Finance & BI to full compensation and to the fulfillment of this provision.

Article 14. Intellectual Property

- 14.1 Kasparov Finance & BI shall, at the request of the Client, have the Candidate and/or (ZZP) Interim professional sign a written statement in order - insofar as necessary and possible - to ensure and/or promote that all rights of intellectual and industrial property on the results of the activities of the Candidate and/or (ZZP) Interim professional accrue to, or are shall be transferred to the Client. If Kasparov Finance & BI in connection herewith is required to pay any remuneration or otherwise incurs any costs, the Client shall owe Kasparov Finance & BI an equivalent remuneration and/ or equivalent costs.

Article 15. Invoicing and payment

- 15.1 Unless otherwise agreed in writing or specified in these General Terms and Conditions, invoices will be issued monthly and sent to the Client (possibly by means of an electronic message).
- 15.2 The Client is obliged to pay the invoice, without applying any (payment) discount and without any right of set-off and/or suspension, within thirty (30) calendar days from the invoice date, unless agreed otherwise in writing. The Client is not permitted to set off any debt it owes to Kasparov Finance & BI against any claim that the Client may have against Kasparov Finance & BI, by virtue of the Agreement and/or on any other grounds. If an invoice is not paid within this term, the Client is legally in default from the first day after the expiry of the term of payment and must pay an interest of 1% per calendar month over the outstanding amount, whereby a part of a month is counted as a full month. The copy of the invoice sent by Kasparov Finance & BI to the Principal is considered full proof of the interest being due and of the date on which the interest calculation begins.
- 15.3 Only payments made to Kasparov Finance & BI or a third party designated in writing by Kasparov Finance & BI have a discharging effect. Payments made by the Client to a Candidate or (ZZP) Interim professional, under any title whatsoever, are non-binding towards Kasparov Finance & BI and cannot constitute grounds for payment or settlement.
- 15.4 If the Client disputes the invoice, in whole or in part, the Client must inform Kasparov Finance & BI in writing within fourteen (14) calendar days after the invoice date, accurately stating the reasons. After this period, the Client's right to dispute the invoice expires. The burden of proof concerning the timely contestation of the invoice rests with the Principal. Contestation of the invoice does not relieve the Client of its payment obligation.
- 15.5 The Client is not authorised to set off the invoice amount, regardless of whether it disputes it, against a counterclaim (whether justified or not) and/or to suspend payment of the invoice.
- 15.6 If, in the opinion of Kasparov Finance & BI, the financial position and / or payment history of the Client gives rise thereto, the Client is obliged at the first written request of Kasparov Finance & BI: to provide an advance; and / or adequate security for its obligations to Kasparov Finance & BI, by means of a bank guarantee, pledge or otherwise. Security can be requested for both existing and future obligations, an advance payment only for future obligations. The size of the requested security and/or advance payment must be in proportion to the size of the relevant obligations of the Client. If the Client fails to provide the requested advance payment or security within the time period set by Kasparov Finance & BI, the Client is in default without further notice of default being required and Kasparov Finance & BI is entitled to suspend the execution of its obligations under all assignments and/or other agreements with the Client or to terminate all assignments and/or other agreements with the Client with immediate effect, without being obliged to pay damages to the Client in connection with this suspension or termination. All claims of Kasparov Finance & BI become due and payable immediately as a result of the termination. All judicial and extrajudicial (collection) costs incurred by Kasparov Finance & BI as a result of the failure of the Client to fulfill its obligations under this article shall be borne entirely by the Client.
- 15.7 If the Assignment is entered into with more than one Client, belonging to the same Group of companies, all Client's are jointly and severally liable for the fulfillment of the obligations under this article, regardless of the name of the invoice. Full payment of the invoice, any additional costs and interest by a Client releases the other Client's from their payment obligation towards Kasparov Finance & BI.
- 15.8 All costs, both extrajudicial and judicial (including costs of legal assistance), incurred by Kasparov Finance & BI in fulfilling the obligations of the Client shall be borne by the Client. The extrajudicial costs are at least 15% of the outstanding amount plus the contractual interest mentioned above, with a minimum of € 250, without prejudice to the right of Kasparov Finance & BI to claim the actual costs.
- 15.9 In the event of a suspension of payments, bankruptcy, liquidation or insolvency, all claims against the Client shall be immediately and fully due and payable.
- 15.10 In the event of Secondment, Kasparov Finance & BI is entitled to implement one or more interim increases in the Fee in the event of (i) change as a result of a government measure or other binding regulations, (ii) change in social security charges and premiums, tax legislation and generally binding regulations or (iii) change as a result of a measure within the applicable Collective Labour Agreement, of the remuneration or terms of employment.

Article 16. Liability

- 16.1 The total liability of Kasparov Finance & BI due to attributable failure to perform the Agreement shall be limited to the amount paid out in the relevant case by any liability insurance of Kasparov Finance & BI (to be increased with an excess, if applicable). If a claim is not covered by the liability insurance of Kasparov Finance & BI or if Kasparov Finance & BI has not taken out liability insurance in this matter, but it has been irrevocably established that Kasparov Finance & BI is nevertheless liable, then (i.) the liability of Kasparov Finance & BI arising from the Assignment and/or Agreement and/or other Agreement in relation to the placement or Secondment of a Candidate and/or a (ZZP) Interim professional, is limited per event to the Fee to be charged under these General Terms and Conditions, the Assignment (confirmation) and/or the Agreement and/or other Agreement for the duration of the Assignment with a maximum of two (2) months; (ii.) Kasparov Finance & BI's liability in connection

with other services (including a recruitment and selection assignment) is limited per occurrence to the Rate charged by Kasparov Finance & BI to the Client for the Assignment. The liability of Kasparov Finance & BI is always limited to € 25,000 (in words: twenty-five thousand Euros) per incident. In the application of this article, a series of related events is deemed to be one event.

- 16.2 Kasparov Finance & BI is exclusively for direct Damages. Direct Damage is exclusively understood to mean the reasonable costs of determining the cause and extent of the Damage, to the extent that such determination relates to Damage within the meaning of these General Terms and Conditions, any reasonable costs incurred in order to make the faulty performance of Kasparov Finance & BI conform to the Agreement, to the extent that such costs can be attributed to Kasparov Finance & BI, and reasonable costs incurred in preventing or limiting Damage, to the extent that the Client demonstrates that such costs have resulted in limiting the direct Damage as referred to in these General Terms and Conditions. Kasparov Finance & BI shall never be liable for indirect Damage, including consequential damages, lost profits, lost savings and damage due to business interruption.
- 16.3 Liability of Kasparov Finance & BI due to attributable failure to perform an Agreement arises in all cases only if the Client or Contractor immediately gives Kasparov Finance & BI notice of default in writing, whereby a reasonable time period for performance is then given and Kasparov Finance & BI continues to fail imputably in the fulfillment of its obligations after that period. The notice of default must contain a description of the shortcoming that is as complete and detailed as possible, so that Kasparov Finance & BI is able to respond adequately.
- 16.4 Contrary to the statutory limitation periods, the limitation period for all claims and defenses of the Client or Contractor against Kasparov Finance & BI is one year. Each liability lapses by the expiry of one year from the moment that the Agreement has been performed. The legal claim for damages of the Client or Contractor against Kasparov Finance & BI lapses one year after the Client or Contractor has held Kasparov Finance & BI liable.
- 16.5 Kasparov Finance & BI is not liable for Damages if such Damage results from or is related to wrong or incomplete information provided by the Client, Contractor or a third party (which also includes a Candidate or an Interim professional). Kasparov Finance & BI is not liable for (the consequences of) printing or writing errors.
- 16.6 The limitations of liability mentioned in this article will cease to apply if and insofar as Damage is the result of intent or deliberate recklessness of Kasparov Finance & BI.
- 16.7 If the Client or Contractor should fail in the proper fulfillment of his obligations towards Kasparov Finance & BI, Client or Contractor will be liable for all damages on the part of Kasparov Finance & BI resulting directly or indirectly from such failure.
- 16.8 Should the Client or the Contractor fail to take adequate measures, Kasparov Finance & BI is entitled, without notice of default, to do so itself. All costs and damages incurred by Kasparov Finance & BI and third parties as a result will be reimbursed by the Principal or the Contractor to Kasparov Finance & BI.

Article 17. Privacy

- 17.1 Within the framework of the Assignment or other Agreement, a regular exchange of personal data takes place, in particular of Candidates, (ZZP) Interim professionals and employees. The Client and Kasparov Finance & BI are obliged to treat this information confidentially in accordance with the General Data Protection Regulation (AVG) and related laws and regulations.
- 17.2 Both Kasparov Finance & BI and Customer qualify as data controller unless parties explicitly agree that one of the parties is a processor on behalf of the other. In that case, parties shall agree upon a processor's Agreement.
- 17.3 The Client does not request data from Kasparov Finance & BI that Kasparov Finance & BI is not permitted to provide under applicable laws and regulations. The Client is responsible for the further processing of the data provided to it by Kasparov Finance & BI.
- 17.4 The Client is responsible for ensuring that Kasparov Finance & BI is only provided with personal data if and to the extent that the Client is entitled to do so and has a legally valid basis, such as the required permission of the persons involved.
- 17.5 The privacy statement of Kasparov Finance & BI applies to the processing of personal data of contact persons of the Client.
- 17.6 The Client indemnifies Kasparov Finance & BI against any claim from Candidates, (ZZP) Interim-professionals, employees of the Client or other third parties against Kasparov Finance & BI in connection with a breach by the Client of the provisions in this article and shall reimburse Kasparov Finance & BI for the related costs incurred.

Article 18 Force majeure and deadlines

- 18.1 The implementation of the Agreement on the part of Kasparov Finance & BI concerns an obligation to perform to the best of his abilities. Kasparov Finance & BI is not obliged to fulfill any obligation or commitment if Kasparov Finance & BI is hindered by a circumstance that is not due to negligence, nor under the law, a legal act or generally accepted practice. In short: in case of force majeure.
- 18.2 In these General Terms and Conditions, force majeure is defined, in addition to the definitions in the law and jurisprudence, as all external causes, foreseen or unforeseen, on which Kasparov Finance & BI has no influence (including but not limited to employee illness, power and computer failures, viruses, fire, theft, strikes in the company of Kasparov Finance & BI), but which prevent Kasparov Finance & BI from fulfilling its obligations.
- 18.3 Kasparov Finance & BI is also entitled to invoke force majeure if the circumstance that prevents (further) fulfillment occurs after Kasparov Finance & BI should have fulfilled its obligations.
- 18.4 If, at the time of the commencement of force majeure, Kasparov Finance & BI has already partially fulfilled its obligations under the Agreement or will be able to fulfill them, and the part fulfilled or to be fulfilled has independent value, Kasparov Finance & BI is entitled to separately invoice the part already fulfilled or to be fulfilled respectively. The Client is obliged to pay this invoice as if it were a separate Agreement.
- 18.5 If a term and/or period of execution of the Assignment or Agreement have been agreed, this is based on the circumstances prevailing at the time of conclusion of the Agreement, as well as on a timely, correct and complete supply of the information required by the Client for commencement of the execution of the Agreement. An agreed term therefore only commences after all the necessary information and Documents are in Kasparov Finance & BI's possession and the (advance) payment, if and insofar as it must be made in the Order, has been made or the requested security has been provided.
- 18.6 Any periods set out in the Agreement within which Kasparov Finance & BI must comply with obligations are approximate only and are not to be regarded as deadlines. By exceeding such a term, Kasparov Finance & BI is not in default. Such failure of Kasparov Finance & BI shall never constitute grounds for termination of the Agreement. If such a deadline is exceeded, the Client can set a new, reasonable deadline of at least 10 working days, within which Kasparov Finance & BI must have executed the Agreement. Exceeding this new, reasonable deadline only provides a ground for dissolution of the Agreement by the Client, provided that the failure would justify the dissolution. Exceeding a term of execution agreed upon between the parties does not give the Client the right to claim damages, unless it concerns intent or gross negligence on the part of Kasparov Finance & BI. If a term of execution has not been expressly agreed, a reasonable term of execution applies, counting from the moment of formation of the Agreement.
- 18.7 If the commencement or progress of the Agreement is delayed by factors for which the Client is responsible, the Client must compensate Kasparov Finance & BI for the resulting damage and costs.

Article 19. Advertising

- 19.1 Complaints by the Client about invoices of Kasparov Finance & BI must be made in writing within 14 days after the execution of the Order. Complaints do not suspend the Client's payment obligation.
- 19.2 Client must keep evidence of the (alleged) shortcomings in the execution of the Work by Kasparov Finance & BI, at least a Candidate, (ZZP) Interim professional or an employee of Kasparov Finance & BI and enable Kasparov Finance & BI to investigate reported complaints. If a complaint turns out to be unfounded, the resulting costs, including investigation costs, shall be borne by the Client.

Article 20. Right of suspension

- 20.1 Kasparov Finance & BI is entitled to suspend the fulfillment of all its obligations until such time that: (i.) due and payable payment obligations have been fully met by the Client; (ii.) the Client or the Contractor fails to meet, or does not meet on time, obligations arising from the Agreement; (iii.) after the conclusion of the Agreement, circumstances have come to the knowledge of Kasparov Finance & BI which give good reason to fear that the Client or the Contractor will not, or will not meet on time; (iv.) the Client has been requested to provide security on the basis of article 15.6 of these General Terms and Conditions and the Client does not do so or provides insufficient security; and/or (v.) due to a delay on the part of the Client or the Contractor, it can no longer be demanded of Kasparov Finance & BI that the Agreement be fulfilled on the terms originally agreed upon.
- 20.2 Client is not entitled to temporarily suspend the employment of the Candidate or the (ZZP) Interim professional, wholly or partially, unless agreed in writing or in the event of force majeure as referred to in Article 6:75 of the Dutch Civil Code.
- 20.3 If the Client is not entitled to temporarily suspend the Secondment or placement, but the Client temporarily does not have any work for the Candidate and/or the (ZZP) Interim professional, the Client must pay Kasparov Finance & BI the agreed Rate in accordance with the Agreement for the duration of the Assignment.

Article 21. Final provisions

- 21.1 Dutch law applies to all agreements and any other legal relations with Kasparov Finance & BI.
- 21.2 These General Terms and Conditions have been drawn up in both Dutch and English. In the event of any discrepancy between the Dutch and English version, the Dutch version shall prevail.
- 21.3 All disputes that may arise between Kasparov Finance & BI on the one hand and the Client or the Contractor on the other hand, will be submitted for settlement exclusively to the competent court in the place of residence of Kasparov Finance & BI. Kasparov Finance & BI remains entitled to submit a dispute to the competent court according to law.
- 21.4 If a provision in the General Terms and Conditions or the Agreement should be or become invalid, the other provisions will remain fully in force. The parties will replace the invalid provision(s) with a provision of corresponding importance which approximates the intention of the original provision as closely as possible.
- 21.5 Kasparov Finance & BI is authorised to make changes to these General Terms and Conditions. These changes take effect at the announced time of entry into force.
- 21.6 All obligations arising for the Client or the Contractor from the Agreement or these General Terms and Conditions, which by their nature are intended to continue even after the Agreement has been terminated, shall continue to exist after the Agreement has been terminated.
